

567—150.11(455B) Suspension/revocation/modification. A site license may be suspended, revoked or modified by the department pursuant to 561—7.16(455B) for any of the following grounds:

150.11(1) Obtaining a license by misrepresentation of fact or failure to disclose fully all material facts.

150.11(2) Repeated violations of any term of the license.

150.11(3) A change in any condition that requires either a temporary or permanent modification, reduction or elimination of the licensed activities.

150.11(4) Suspension, revocation, termination or modification of permits of regulatory agencies which were incorporated in the license. However, the failure of the department to take such action with respect to the license after a regulatory agency does, shall not be construed to supersede or otherwise detract from the legitimacy of the regulatory agency action and authorize continued operation contrary to regulatory agency requirements.

150.11(5) For land burial facilities, failure to pay the surcharge tax.
